## **BAA / BABA Compliance Self-Certification**

---

To Whom It May Concern:

FlagCo hereby certifies that the flagpole lighting products listed in this letter (collectively, "Beacon" products) are compliant with the Buy American Act (BAA), 41 U.S.C. §§8301-8305, and the Build America, Buy America Act (BABA), as enacted under the Infrastructure Investment and Jobs Act (IIJA), Public Law 117-58, §70901-70927.

All Beacon products listed herein are manufactured at our facility located at 3600 Cantrell Industrial Ct, Acworth, Georgia 30101, United States. Each product is manufactured using domestic components that constitute at least 65% of the total cost of all components, meeting or exceeding the domestic content threshold required under both the BAA and BABA.

Specifically, FlagCo certifies the following with respect to each Beacon product:

- **End Product:** Manufactured in the United States of America.
- **Manufacturing Facility:** 3600 Cantrell Industrial Ct, Acworth, GA 30101.
- **Domestic Content:** All Beacon products contain at least 65% domestic components by cost.
- **Manufactured Goods (BABA):** Each Beacon product qualifies as a manufactured good produced in the United States with a domestic component cost exceeding 65%.

A complete list of covered Beacon products and their corresponding FlagCo item numbers is provided on page 2 of this letter.

FlagCo stands behind the accuracy of this certification and will provide supporting documentation upon request. This letter may be relied upon by contracting officers, prime contractors, and subcontractors for purposes of demonstrating BAA and BABA compliance.

Respectfully,

*Alex Dulmage*
